(g) Failure to comply with this section is grounds for denial, suspension, or revocation of a license.

SECTION 5. IC 26-3-7-6.5, AS AMENDED BY P.L.60-2015, SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6.5.

(a) The names, locations, respective counties, and license status of licensees may be disclosed.

(b) Unless in accordance with a judicial order, the director, the agency, its counsel, auditors, or its other employees or agents shall not divulge any other information disclosed by the applications or reports filed or inspections performed under the provisions of this chapter. However, information may be divulged to agents and employees of the agency, the board, as required by subsection (d), the state board of accounts or another entity retained under subsection (f), or to any other legal representative of the state or federal government otherwise empowered to see or review the information.

(c) Except as provided in subsection (d), the director may disclose the information described in subsection (b) only in the form of an information summary or profile, or statistical study based upon data provided with respect to more than one (1) warehouse, grain buyer, or buyer-warehouse that does not identify the warehouse, grain buyer, or buyer-warehouse to which the information applies.

(d) The director shall disclose to the board, while the board is in
executive session, the status and inspection results of any licensee who poses a significant risk of failure or who has failed to meet the minimum requirements in section 4(e) or 16 of this chapter on two (2) consecutive audits. The director may not include any identifying information regarding the licensee. The director may not disclose the information to a board member who has not executed a confidentiality agreement presented by the agency.

(e) The director shall provide the board with records of previous failures to analyze the factors that have led to previous failures.

(f) The director may use the services of the state board of accounts or retain another entity to assist the agency in investigating any audit results or other factors which indicate the potential for a licensee failure. The director may seek the advice and guidance of the board on selecting an entity or on any other matter.

SECTION 6. IC 26-3-7-16.5, AS AMENDED BY THE TECHNICAL CORRECTIONS BILL OF THE 2017 GENERAL ASSEMBLY, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 16.5. (a) Upon learning of the possibility that a shortage exists, either as a result of an inspection or a report or complaint from a depositor, the agency, based on an on-premise inspection, shall make a preliminary determination as to whether a shortage exists. If a shortage is not discovered, the agency shall treat the audit as it would any other audit.

(b) If it is determined that a shortage may exist, the director or the director's designated representative shall hold a hearing as soon as possible to confirm the existence of a shortage as indicated by the licensee's books and records and the grain on hand. Only the licensee, the surety company named on the licensee's bond, the issuer of the irrevocable letter of credit, and any grain depositor who has made a claim or complaint to the agency in conjunction with the shortage shall be considered as interested parties for the purposes of that hearing, and each shall be given notice of the hearing. At the hearing, the director or the director's designated representative shall determine whether there appears to be a reasonable probability that a shortage exists. If it is determined that a reasonable probability exists and that the bond or letter of credit proceeds or the cash deposit should be distributed, a preliminary determination shall be entered to the effect that the licensee has failed to meet its obligations under this chapter or the rules adopted under this chapter. At the hearing, the director or the director's designated representative may order that all proceeds from grain sales are to be held in the form in which they are received and to be kept

HEA 1237 — Concur
separate from all other funds held by the licensee. The order may also provide for informal conferences between agency representatives and persons who have or who appear to have grain deposited with the licensee. The surety company shall be permitted to participate in those conferences.

(c) In the event that the director determines that the bond or letter of credit proceeds or cash deposit is to be distributed, the agency shall hold a hearing on claims. Notice shall be given to the surety company named on the licensee's bond, the issuer of the irrevocable letter of credit, and to all persons shown by the licensee's books and records to have interests in grain deposited with the licensee. If the agency has actual knowledge of any other depositor or person claiming rights in the grain deposited with the licensee, the bond, the irrevocable letter of credit, or the cash deposit, notice shall also be provided to that person. In addition, public notice shall be provided in newspapers of general circulation that serve the counties in which licensed facilities are located, and notices shall be posted on the licensed premises. At the hearing on claims, the director or the director's designated representative may accept as evidence of claims the report of agency representatives who in informal conferences with depositors have concluded that a claim is directly and precisely supported by the licensee's books and records. When there is disagreement between the claims of a depositor and the licensee's books and records, the director or the director's designated representative shall hear oral claims and receive written evidence of claims in order to determine the validity of the claim.

(d) Any depositor who does not present a claim at the hearing may bring the claim to the agency within fifteen (15) days after the conclusion of the hearing. However, a depositor who has a claim that was involved in the probate of an estate at the time of the claims hearing has one (1) year from the conclusion of the claims hearing to present the claim to the agency.

(e) Only grain that has been delivered to a first purchaser licensee for sale or storage under a bailment not more than fifteen (15) months before the date of failure of the licensee may be considered by the director or the director's designated representative in determining the total proven storage and financial obligations due to depositors and the loss sustained by each depositor who has proven a claim.

(f) Following the hearing on claims, the director or the director's designated representative shall make a determination as to the total proven storage obligation of the claimants and financial obligations.
obligations due to depositors and the loss sustained by each depositor who has proven a claim. Depositors found to have proven their claims for storage or financial loss shall be proven claimants. In arriving at that loss, in accordance with section 19 of this chapter, the director shall apply all grain on hand or its identifiable proceeds to meet the licensee's obligations to grain depositors of grain of that type. Initial determinations of loss shall be made on the amount of grain on hand, or identifiable proceeds, and shall reduce the amount to which a depositor may have a proven claim. With respect to the remaining unfulfilled obligations, the director shall, for the sole purpose of establishing each depositor's claim under this chapter, establish a date upon which the loss is discovered, shall price the grain as of that date, shall treat all outstanding grain storage obligations not covered by grain on hand or identifiable proceeds as being sold as of that date, and shall determine the extent of each depositor's loss as being the actual loss sustained as of that date. Grain of a specific type on the premises of a licensee must first be applied to meet the licensee's storage obligations with respect to that type of grain. If there is insufficient grain of a specific type on hand to meet all storage obligations with respect to that type of grain, the grain that is present shall be prorated in accordance with the procedures described in this section and section 16.8 of this chapter.

(f) (g) Upon the failure of the agency to begin an audit, which would serve as the basis for a preliminary administrative determination, within forty-five (45) days of the agency's receipt of a written claim by a depositor, a depositor shall have a right of action upon the bond, letter of credit, or cash deposit. A depositor bringing a civil action need not join other depositors. If the agency has undertaken an audit within the forty-five (45) day period, the exclusive remedy for recovery against the bond, letter of credit, or cash deposit shall be through the recovery procedure prescribed by this section.

(g) (h) When the proven claims exceed the amount of the bond, letter of credit, or cash deposit, recoveries of proven claimants shall be prorated in the same manner as priorities are prorated under section 16.8 of this chapter.

(h) (i) The proceedings and hearings under this section may be undertaken without regard to, in combination with, or in addition to those undertaken in accordance with section 17.1 of this chapter.

(i) (j) The findings of the director shall be final, conclusive, and binding on all parties.

(j) (k) The director may adopt rules under IC 4-22-2 to determine how the agency may distribute the interest that may accrue from funds

HEA 1237 — Concur
held by the agency for the payment of claims.

(k) (l) A claim of a licensee for stored grain may not be honored until the proven claims of all other claimants arising from the purchase, storage, and handling of the grain have been paid in full.

(m) A claim is considered to be adjudicated if the claimant has:
   1. agreed with the director's determination on the claim and not filed an appeal under IC 4-21.5-3; or
   2. exhausted the claimant's administrative appeal and judicial review remedies.

(n) Subject to the requirements under this chapter, if one (1) or more claimants are not paid in full for the claimants' proven claims, the director shall forward to the Indiana grain indemnity fund board of directors a list of the claimants who are owed money and the balance due each claimant along with a copy of the final order.

SECTION 7. IC 26-3-7-16.7 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 16.7. (a) A licensee or claimant subject to the director's action may appeal under IC 4-21.5-3 from orders issued by the director under section 16.5 or 17.1 of this chapter.

(b) A licensee or claimant may request an appeal under IC 4-21.5-3 not more than fifteen (15) days after being served with the director's findings.

(c) If a licensee or claimant requests an appeal under IC 4-21.5-3, the director shall designate:
   1. an administrative law judge to preside over the appeal; and
   2. an ultimate authority for purposes of the appeal in accordance with IC 4-21.5-3.

SECTION 8. IC 26-3-7-16.8, AS AMENDED BY P.L.75-2010, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 16.8. (a) A lien against all grain assets of a licensee or a person who is required to be licensed under this chapter attaches in favor of the following:

1. A lender or other claimant that has a receipt for grain owned or stored by the licensee.
2. A claimant that has a ticket or written evidence, other than a receipt, of a storage obligation of the licensee.
3. A claimant that surrendered a receipt as part of a grain sales transaction if:
   (A) the claimant was not fully paid for the grain sold; and
   (B) the licensee failed less than twenty-one (21) days after the
(4) A claimant that has other written evidence of a sale to the licensee of grain for which the claimant has not been fully paid.

(b) A lien under this section attaches and is effective at the earliest of the following:

1. the delivery of the grain for sale, storage, or under a bailment;
2. the commencement of the storage obligation; or
3. the advancement of funds by a lender.

(c) A lien under this section terminates when the licensee discharges the claim.

(d) If a licensee has failed, the lien that attaches under this section is assigned to the agency by operation of this section. If a failed licensee is liquidated, a lien under this section continues to attach as a claim against the assets or proceeds of the assets of the licensee that are received or liquidated by the agency.

(e) Except as provided in subsection (g), if a licensee has failed, the power to enforce the lien on the licensee's grain assets transfers by operation of this section to the director and rests exclusively with the director who shall allocate and prorate the proceeds of the grain assets as provided in subsections (f) and (i).

(f) The lien established under this section has priority over all competing lien claims asserted against the licensee's grain assets.

(g) The priority of a lien that attaches under this section is not determined by the date on which the claim arose. If a licensee has failed, the director shall enforce lien claims and allocate grain assets and the proceeds of grain assets of the licensee in the following order of priority:

1. First priority is assigned to the following:
   A. A lender or other claimant that has a receipt for grain owned or stored by the licensee.
   B. A claimant that has a ticket or written evidence, other than a receipt, of a storage obligation of the licensee.
   C. A claimant that surrendered a receipt as part of a grain sales transaction if:
      i. the claimant was not fully paid for the grain sold; and
      ii. the licensee failed less than twenty-one (21) days after the surrender of the receipt.

   If there are insufficient grain assets to satisfy all first priority claims, first priority claimants shall share pro rata in the assets.

2. Second priority is assigned to all claimants who have written evidence of the sale of grain, such as a ticket, a deferred pricing agreement, or similar grain delivery contract, and who completed
delivery less than thirty (30) days before the licensee's failure. Claimants under this subdivision share pro rata in the remaining assets if all claimants under subdivision (1) have been paid but insufficient assets remain to fully satisfy all claimants under this subdivision.

(3) Third priority is assigned to all other claimants that have written evidence of the sale of grain to the failed licensee. Claimants under this subdivision share pro rata in the distribution of the remaining grain assets.

(g) If a claimant under this section brings an action to recover grain assets that are subject to a lien under this section and the agency does not join the action, the director shall, upon request of the claimant, assign the lien to the claimant in order to allow the claimant to pursue the claim to the extent that the action does not delay the resolution of the matter by the agency, the prompt liquidation of the assets, or the ultimate distribution of assets to all claimants.

(h) (i) If:

(1) a claimant engaged in farming operations granted to one (1) or more secured parties one (1) or more security interests in the grain related to the claimant's claim under this section; and

(2) one (1) or more secured parties described in subdivision (1) have given to:

(A) the licensee prior written notice of the security interest under IC 26-1-9.1-320(a)(1) or IC 26-1-9-307(1)(a) before its repeal; and

(B) the director prior written notice of the security interest with respect to the grain described in subdivision (1) sufficient to give the director a reasonable opportunity to cause the issuance of a joint check under this subsection;

the director shall pay the claimant described in subdivision (1) the portion of the proceeds of grain assets under subsection (e) to which the claimant is entitled under this section by issuance of a check payable jointly to the order of the claimant and any secured party described in subdivision (1) who has given the notices described in subdivision (2). If only one (1) secured party described in subdivision (1) is a payee, the rights of the secured party in the check shall be to the extent of the indebtedness of the claimant to the secured party. If two (2) or more secured parties described in subdivision (1) are payees, the nature, extent, and priority of their respective rights in the check are determined in the same manner as the nature, extent, and priority of their respective security interest under IC 26-1-9.1.

SECTION 9. IC 26-3-7-17.1 IS AMENDED TO READ AS

HEA 1237 — Concur
FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 17.1. (a) Whenever the director, as a result of an inspection or otherwise, has reasonable cause to believe that a person to which this chapter is or may be applicable:

(2) has failed, neglected, or refused to observe or comply with any order, rule, or published policy statement of the agency;

then the director may undertake any one (1) of the actions prescribed by this section.

(b) Upon learning of the possibility that a licensee is acting as described in subsection (a), the director or the director's designated representative may seek an informal meeting with the licensee. At that meeting, which shall be held at a time and place agreed to by the licensee and the director, the director or the director's designated representative shall discuss the possible violations and may enter into a consent agreement with the licensee under which the licensee agrees to undertake, or to cease, the activities that were the subject of the meeting.
