Citations Affected:  IC 35-47-2.

Synopsis:  Handgun study. Provides that certain persons protected by a civil protection order may carry a handgun without a license for: (1) 60 days after the date the civil protection order is issued; or (2) 60 days after the date the person applies for a license to carry a handgun, if the person applies for the license during the 60 day period following issuance of the civil protection order; whichever is later. Urges the legislative council to assign the appropriate study committee to study repeal of the law that requires a person to obtain a license to carry a handgun in Indiana. Makes a technical correction. (This conference committee report: (1) returns the bill to the language passed in the House; and (2) requires the state police to adopt rules expediting the processing of an application for a license to carry a handgun made by a person protected by an order of protection.)

Effective:  July 1, 2017.

SECTION 3. IC 35-47-2-3, AS AMENDED BY P.L.158-2013,
SECTION 574, IS AMENDED TO READ AS FOLLOWS
[EFFECTIVE JULY 1, 2017]: Sec. 3. (a) A person desiring a license
to carry a handgun shall apply:
(1) to the chief of police or corresponding law enforcement officer
of the municipality in which the applicant resides;
(2) if that municipality has no such officer, or if the applicant does
not reside in a municipality, to the sheriff of the county in which
the applicant resides after the applicant has obtained an
application form prescribed by the superintendent; or
(3) if the applicant is a resident of another state and has a regular
place of business or employment in Indiana, to the sheriff of the
county in which the applicant has a regular place of business or
employment.
The superintendent and local law enforcement agencies shall allow an
applicant desiring to obtain or renew a license to carry a handgun to
submit an application electronically under this chapter if funds are
available to establish and maintain an electronic application system.
(b) The law enforcement agency which accepts an application for a
handgun license shall collect the following application fees:
(1) From a person applying for a four (4) year handgun license, a
ten dollar ($10) application fee, five dollars ($5) of which shall be
refunded if the license is not issued.
(2) From a person applying for a lifetime handgun license who does not currently possess a valid Indiana handgun license, a fifty dollar ($50) application fee, thirty dollars ($30) of which shall be refunded if the license is not issued.

(3) From a person applying for a lifetime handgun license who currently possesses a valid Indiana handgun license, a forty dollar ($40) application fee, thirty dollars ($30) of which shall be refunded if the license is not issued.

Except as provided in subsection (h), the fee shall be deposited into the law enforcement agency's firearms training fund or other appropriate training activities fund and used by the agency to train law enforcement officers in the proper use of firearms or in other law enforcement duties, or to purchase firearms, firearm related equipment, or body armor (as defined in IC 35-47-5-13(a)) for the law enforcement officers employed by the law enforcement agency. The state board of accounts shall establish rules for the proper accounting and expenditure of funds collected under this subsection.

(c) The officer to whom the application is made shall ascertain the applicant's name, full address, length of residence in the community, whether the applicant's residence is located within the limits of any city or town, the applicant's occupation, place of business or employment, criminal record, if any, and convictions (minor traffic offenses excepted), age, race, sex, nationality, date of birth, citizenship, height, weight, build, color of hair, color of eyes, scars and marks, whether the applicant has previously held an Indiana license to carry a handgun and, if so, the serial number of the license and year issued, whether the applicant's license has ever been suspended or revoked, and if so, the year and reason for the suspension or revocation, and the applicant's reason for desiring a license. The officer to whom the application is made shall conduct an investigation into the applicant's official records and verify thereby the applicant's character and reputation, and shall in addition verify for accuracy the information contained in the application, and shall forward this information together with the officer's recommendation for approval or disapproval and one (1) set of legible and classifiable fingerprints of the applicant to the superintendent.

(d) The superintendent may make whatever further investigation the superintendent deems necessary. Whenever disapproval is recommended, the officer to whom the application is made shall provide the superintendent and the applicant with the officer's complete and specific reasons, in writing, for the recommendation of disapproval.

(e) If it appears to the superintendent that the applicant:
   (1) has a proper reason for carrying a handgun;
   (2) is of good character and reputation;
   (3) is a proper person to be licensed; and
   (4) is:
       (A) a citizen of the United States; or
       (B) not a citizen of the United States but is allowed to carry a firearm in the United States under federal law;
the superintendent shall issue to the applicant a qualified or an
unlimited license to carry any handgun lawfully possessed by the
applicant. The original license shall be delivered to the licensee. A
copy shall be delivered to the officer to whom the application for
license was made. A copy shall be retained by the superintendent for
at least four (4) years in the case of a four (4) year license. The
superintendent may adopt guidelines to establish a records retention
policy for a lifetime license. A four (4) year license shall be valid for
a period of four (4) years from the date of issue. A lifetime license is
valid for the life of the individual receiving the license. The license of
police officers, sheriffs or their deputies, and law enforcement officers
of the United States government who have been honorably retired by
a lawfully created pension board or its equivalent after twenty (20) or
more years of service shall be valid for the life of these individuals.
However, a lifetime license is automatically revoked if the license
holder does not remain a proper person.

(f) At the time a license is issued and delivered to a licensee under
subsection (e), the superintendent shall include with the license
information concerning handgun safety rules that:

(1) neither opposes nor supports an individual's right to bear
arms; and

(2) is:

(A) recommended by a nonprofit educational organization that
is dedicated to providing education on safe handling and use
of firearms;

(B) prepared by the state police department; and

(C) approved by the superintendent.

The superintendent may not deny a license under this section because
the information required under this subsection is unavailable at the
time the superintendent would otherwise issue a license. The state
police department may accept private donations or grants to defray the
cost of printing and mailing the information required under this
subsection.

(g) A license to carry a handgun shall not be issued to any person
who:

(1) has been convicted of a felony;

(2) has had a license to carry a handgun suspended, unless the
person's license has been reinstated;

(3) is under eighteen (18) years of age;

(4) is under twenty-three (23) years of age if the person has been
adjudicated a delinquent child for an act that would be a felony if
committed by an adult; or

(5) has been arrested for a Class A or Class B felony for an
offense committed before July 1, 2014, for a Level 1, Level 2,
Level 3, or Level 4 felony for an offense committed after June 30,
2014, or any other felony that was committed while armed with
a deadly weapon or that involved the use of violence, if a court
has found probable cause to believe that the person committed the
offense charged.

In the case of an arrest under subdivision (5), a license to carry a
handgun may be issued to a person who has been acquitted of the specific offense charged or if the charges for the specific offense are dismissed. The superintendent shall prescribe all forms to be used in connection with the administration of this chapter.

(h) If the law enforcement agency that charges a fee under subsection (b) is a city or town law enforcement agency, the fee shall be deposited in the law enforcement continuing education fund established under IC 5-2-8-2.

(i) If a person who holds a valid license to carry a handgun issued under this chapter:

(1) changes the person's name;
(2) changes the person's address; or
(3) experiences a change, including an arrest or a conviction, that may affect the person's status as a proper person (as defined in IC 35-47-1-7) or otherwise disqualify the person from holding a license;
the person shall, not later than thirty (30) days after the date of a change described under subdivision (3), and not later than sixty (60) days after the date of the change described under subdivision (1) or (2), notify the superintendent, in writing, of the event described under subdivision (3) or, in the case of a change under subdivision (1) or (2), the person's new name or new address.

(j) The state police shall indicate on the form for a license to carry a handgun the notification requirements of subsection (i).

(k) The state police department shall adopt rules under IC 4-22-2 to:

(1) implement an electronic application system under subsection (a); and
(2) expedite the processing of an application made by a person described in IC 35-47-2-2.1(b).

Rules adopted under this section must require the superintendent to keep on file one (1) set of classifiable and legible fingerprints from every person who has received a license to carry a handgun so that a person who applies to renew a license will not be required to submit an additional set of fingerprints.

(l) Except as provided in subsection (m), for purposes of IC 5-14-3-4(a)(1), the following information is confidential, may not be published, and is not open to public inspection:

(1) Information submitted by a person under this section to:

(A) obtain; or
(B) renew;
a license to carry a handgun.

(2) Information obtained by a federal, state, or local government entity in the course of an investigation concerning a person who applies to:

(A) obtain; or
(B) renew;
a license to carry a handgun issued under this chapter.

(3) The name, address, and any other information that may be used to identify a person who holds a license to carry a handgun issued under this chapter.
(m) Notwithstanding subsection (l):

(1) any information concerning an applicant for or a person who holds a license to carry a handgun issued under this chapter may be released to a federal, state, or local government entity:

(A) for law enforcement purposes; or

(B) to determine the validity of a license to carry a handgun; and

(2) general information concerning the issuance of licenses to carry handguns in Indiana may be released to a person conducting journalistic or academic research, but only if all personal information that could disclose the identity of any person who holds a license to carry a handgun issued under this chapter has been removed from the general information.

(n) A person who knowingly or intentionally violates this section commits a Class B misdemeanor.

SECTION 4. [EFFECTIVE JULY 1, 2017] (a) As used in this SECTION, "legislative council" refers to the legislative council created by IC 2-5-1.1-1.

(b) As used in this SECTION, "study committee" means either of the following:

(1) A statutory committee established under IC 2-5.

(2) An interim study committee.

(c) The legislative council is urged to assign to the appropriate study committee the task of studying the repeal of the law that requires a person to obtain a license to carry a handgun in Indiana.

(d) If an appropriate study committee is assigned the topic described under subsection (c), the study committee may consider, as part of its study, the following:

(1) The fiscal impact of a repeal of the handgun licensure law.

(2) The issuance and use of reciprocity licenses.

(3) Any persons who should be prohibited from possessing or carrying a handgun.

(4) The rate in which handguns are used in suicides in Indiana.

(5) The rate in which handguns are used in criminal acts in Indiana.

(e) If the topic described in subsection (c) is assigned to an interim study committee, the interim study committee shall issue to the legislative council a final report containing the interim study committee's findings and recommendations, including any recommended legislation concerning the repeal of the handgun licensure law, in an electronic format under IC 5-14-6, not later than November 1, 2017.

(f) This SECTION expires December 31, 2017.

SECTION 5. An emergency is declared for this act.
