PROPOSED AMENDMENT
HB 1002 # 10

DIGEST

Career and technical education. Provides that a career coaching grant program must lead to a postsecondary credential or an industry recognized certification. Requires the management performance hub to: (1) collect certain postsecondary academic data or employment data of a student upon the student's graduation from high school that can be linked to the student's kindergarten through grade 12 student identification number; and (2) on November 1, 2019, and each November 1 thereafter, send a report to the legislative council that summarizes the data. Removes a provision that provides that expenses for administering the career coaching grant fund are to be paid from the fund. Removes the requirement that a certificate program that is an eligible high value workforce ready credit-bearing grant program must be provided by a state educational institution. Provides that, after June 30, 2019, a school corporation, school, or secondary school vocational program may employ an instructor who does not have a license if the instructor meets certain occupational and training requirements. Voids an administrative rule that requires a school corporation to ensure that a teacher of a secondary school vocational program is licensed by the department of education. Provides that the governing body of a career and technical education center may include a postsecondary level career and technical education course in the high school curriculum. Provides that the department of workforce development shall include any postsecondary level career and technical education courses in the list of courses provided to the state board of education. Subject to certain conditions, provides that a high school student is eligible to participate in the next level jobs employer training grant program (grant program). Specifies the amount an employer that participates in the grant program may receive for an employee who is a high school student. Provides that training for a high school student who is an eligible student in the grant program training must lead to a postsecondary credential, a nationally recognized industry credential, or specialized company training approved by the department of workforce development. Makes changes to a provision in the bill that provides that a school corporation that has entered into an agreement for a joint program of career and technical education may add a new course without being approved by the governing entity of the joint program. Provides that a school corporation that has entered into an agreement for a joint program of career and technical education may add a new career and technical education course to its curriculum without being approved by the joint program board or the governing body overseeing the joint program if the course is being offered in partnership with certain entities. Provides that the next level jobs employer grant program must lead to a postsecondary credential, a nationally recognized industry credential, or specialized company training approved by the department of workforce development. Removes provisions that make changes relating to career and technical education grants. Provides that a student who is enrolled in a career and technical education course that has not been approved by the governing entity of a joint career and technical education program after June 30, 2018, shall receive credit for completion of the course if the course meets certain requirements. Provides that the department of education shall annually compile information regarding each school corporation's pupil count and per pupil cost to the school corporation for each career and technical education program in which the school corporation receives career and technical education grants. Changes the effective date in SECTION 14 of the bill. Provides that the workforce ready grant may be used at Ivy Tech Community College, Vincennes University, or a program approved by the commission for higher education. Removes appropriations. Makes technical corrections.

"SECTION 1. IC 4-3-26-10, AS ADDED BY P.L.269-2017, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 10. The MPH shall do the following:

(1) Establish and maintain a program to collect, analyze, and exchange government information in carrying out the powers and duties of the OMB and the powers and duties of the executive state agency sharing the data. In carrying out this program, the MPH may, in accordance with IC 4-1-6, obtain government information from each executive state agency.

(2) In accordance with IC 4-1-6 and IC 5-14-3, establish and maintain a program to make government information available to executive state agencies, political subdivisions, educational institutions, researchers, nongovernmental organizations, and the general public, subject to the following:

(A) A request for data subject to IC 4-1-6-8.6 shall be made in conformance with that section.

(B) A program established and maintained under this chapter must include policies governing access to government information held by the MPH under this chapter. Government information may be made available only in accordance with applicable confidentiality and disclosure laws.

(3) Establish privacy and quality policies for government information that comply with all applicable Indiana and federal laws, rules, and policies.

(4) In accordance with standards developed by the office of technology established by IC 4-13.1-2-1, establish and maintain a program to ensure the security of government information under this chapter.

(5) Conduct operational and procedural audits of executive state agencies.

(6) Perform financial planning and design and implement efficiency projects for executive state agencies.

(7) Advise and assist each executive state agency to identify and implement continuous process improvement in state government.
(8) Do the following:

(A) Collect:

(i) postsecondary academic data;
(ii) wage employment data;
(iii) military enlistment data;
(iv) incarceration data;
(v) data regarding the receipt of Temporary Assistance for Needy Families (TANF) program assistance; and
(vi) data regarding the receipt of the federal Supplemental Nutrition Assistance Program (SNAP) assistance;

of a student upon the student's graduation from high school that can be linked to the student's kindergarten through grade 12 student identification number.

(B) On November 1, 2019, and each November 1 thereafter, submit a report summarizing the data collected under clause (A) to the legislative council in an electronic format under IC 5-14-6.

A report submitted to the legislative council under this subdivision may not contain any personal, identifiable information.

(9) Carry out such other responsibilities as may be designated by the director of the OMB or the chief data officer to carry out the responsibilities of the OMB or the chief data officer.".

"(c) A school corporation that has entered into an agreement for a joint program of career and technical education may add a new career and technical education course to its curriculum without being approved under subsection (b)(1) or (b)(2) if the course is
being offered in partnership with an employer or an employer and either:

(1) a postsecondary educational institution; or

(2) a third party trainer that is eligible to receive funding under the federal Workforce Innovation and Opportunity Act (WIOA) of 2014 under 29 U.S.C. 3101 et seq., including reauthorizations of WIOA, and is listed on the department of workforce development's eligible training provider list on the department of workforce development's Internet web site.

(d) A student who is enrolled in a career and technical education course offered by a school corporation that has not been approved under subsection (b)(1) or (b)(2) after June 30, 2018, shall receive credit for completion of the course if the course meets the requirements set forth for a course described in subsection (c).".

"SECTION 18. IC 20-43-8-13, AS ADDED BY P.L.230-2017, SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 13. (a) This section applies to a state fiscal year beginning after June 30, 2018.

(b) A school corporation shall count each pupil enrolled in a program designated under section 7.5 of this chapter for the purposes of determining a school corporation's career and technical education enrollment grant under section 15 of this chapter. Each school corporation shall report its pupil enrollment count under this section to the department.

(c) A pupil may be counted in more than one (1) of the career and technical education programs if the pupil is enrolled in more than one (1) of the career and technical education programs at the time pupil enrollment is determined.

(d) If the department adjusts a count of ADM after a distribution is made under this chapter, the adjusted count retroactively applies to the grant amounts distributed to a school corporation affected by the adjusted count. The department shall settle any overpayment or underpayment of grant amounts resulting from an adjusted count of ADM on a schedule determined by the department and approved by the budget agency.

(e) The distribution of the grant amounts under this chapter shall be made each state fiscal year under a schedule set by the budget agency and approved by the governor.

(f) Each school corporation that receives a grant under this chapter
shall report to the department, in a manner prescribed by the
department; the pupil count and the per pupil cost to the school
corporation for each career and technical education program in which
the school corporation includes pupils in the school corporation's
enrollment count under subsection (b). The department shall
annually compile information regarding each school corporation's
pupil count and per pupil cost within the school corporation for
each career and technical education program in which the school
corporation includes pupils in the school corporation's employment
under subsection (b). The department shall post the school
corporation's pupil count and per pupil costs reported to the department
under this subsection on the department's Internet web site.”.
