Summary of Legislation: This bill has the following provisions:

(1) Provides that the New Harmony and Wabash River Bridge Authority (Bridge Authority) and its members, officers, and employees are immune from civil liability resulting from any act or omission related to implementation of the statute that establishes the Bridge Authority.
(2) Provides that the immunity does not extend to a person who commits an act or omits to do an act that amounts to gross negligence or willful and wanton misconduct.
(3) Requires the Attorney General to defend the Bridge Authority and its members, officers, and employees if any of these are made a party to a civil suit and the Attorney General determines that the suit has arisen out of an act or omission of any of these authorized or required under the Bridge Authority law or any other law.
(4) Repeals an existing statute in the Bridge Authority law relating to civil immunity.

Effective Date: Upon passage.

Explanation of State Expenditures: The bill could increase the workload of the Attorney General to the extent a member, officer, or employee of the Bridge Authority is named in a civil liability suit due to an act or omission.
